

Guiding Principles 2017-2018

OUR REDEEMER LUTHERAN preschool and kindergarten

Faith Formation: The Word of God is the driving force behind all that we do. Each child learns daily about our Savior, Jesus Christ.

Safe Environment: A safe, secure and happy environment is provided for optimal learning and growth.

Servanthood: Serving others is vital to our school ministry and extends to church and school families and to our neighboring community.

Nurture: All children are nurtured to develop to their fullest potential and to be successful at the next learning level.

Celebration: We celebrate the successes that the children experience. And we celebrate the growth of our church and school.
